### SAASTHAPREETHI

It is believed that conducting of Saasthapreethi, meaning appeasing Lord Dharma Sastha in an unique & different form of worship with its own methods and procedures, dates back to a few centuries. Very rarely a Pooja of this magnitude and significance can be witnessed, providing an opportunity for the devotees to actually participate in the worship of their Ishta Devatha i.e. Lord Ayyappa for His divine grace. The experience is that Saaasthapreethi churns up an ambience of incredibly austere environment filled with holy blessings. The devotees taking part in this magnificent event can be assured of obtaining limitless blessings of Lord Ayyapa and get all their prayers fulfilled. In Uttara Guruvayurappan Temple, Saasthapreethi is celebrated on the second Saturday of December as an established practice followed by sumptuous feast for all.
